NEW DELHI, DELHI

OBJECTIVE

Being passionate about website design and more specifically UI/UX design, I aim at producing quality work that will not only meet but surpass the customer's expectations.

SKILLS & ABILITIES

- HTML5 (Hyper Text Markup Language)
- CSS (Cascading Style Sheets)
- JAVASCRIPT
- Decision making and problem-solving skills.
- Good communication skills.
- MS Office (Excel, PowerPoint, Word) – Average level expertise.

EXPERIENCE

Fresher

- As I am a fresher, I need a platform to implement my theoretical knowledge into practical knowledge. Even your company mainly works with people, in which I have done many certifications as well as I love to solve problems. So I think Your company is the perfect place for me to demonstrate my expertise. That's why I want to join your company.

PROJECTS

Personal profile website – [\[Link\]](#)

- Frontend development using HTML5, CSS & JS for creating interactive, intuitive and responsive user interfaces.
- This project is based on my professional and working life.

EDUCATION

May 2018	10th CBSE (Central Board of Secondary Education)
June 2020	12th CBSE (Central Board of Secondary Education)
October 2021	Certification of Basic Computer
Final year	Bachelor of Computer Applications (BCA) IGNOU (Indira Gandhi National Open University) Learning in BCA curriculum computer fundamentals, programming concepts, and applications.

COMMUNICATION

Normal written and verbal communication skills, including the ability to provide constructive feedback and collaborate effectively with manager, helpers and other Customers.

LEADERSHIP

Ability to manage projects simultaneously and meet tight deadlines, while maintaining the highest standards of quality.
